

E. Giegling New Kiwanis President

NEW OFFICERS ELECTED AT WEDNESDAY MEETING

Election of officers and directors was the program at the Kiwanis meeting Wednesday. A fine crowd was present. Previous to the meeting the board of directors held a session when they elected to membership several applicants, as follows: Charles E. Moore, Rev. Edgar Flory, and Royal A. Wright. The new members were presented at the meeting and on next Monday evening will be given formal honors.

Dr. Clippert Retires

The term as president of Dr. Clarence G. Clippert expired at that meeting. It was due to his efforts that a Kiwanis club was organized in Grayling. He gave generously of his time in the work of the club and made its first year a signal success. It would have been the wish of the members to have him continue for another year however he felt that the honor should be passed around.

Vice President T. P. Peterson also felt that as a vice president of the East Michigan Tourist association that he should not accept additional duties such as would devolve upon the president of the club, and withdrew.

Emil Giegling New President

The splendid work done during the past year by Emil Giegling made him the outstanding candidate for president and he was given the unanimous vote of the members. Mr. Giegling was a member of the program committee to which he gave a lot of attention and also took prominent part in the club meetings and the club affairs. He is a capable leader and full of energy and a successful year for the club with him as its leader is well assured.

O. P. Schumann, who also served on the program committee, was elected vice president, and C. W. Olsen was re-elected treasurer.

New Executive Committee

The following members were elected to serve for the following year on the board of directors: Charles E. Moore, Farnum Matson, Dr. C. R. Keyport, Fred R. Welsh, T. P. Peterson, Roy Trudgen, C. A. Miller.

These men and the officers and retiring president make up the new board of directors. Immediately after the election of the new directors, that body elected A. J. Joseph to continue in the office of secretary.

To Observe Armistice Day

Next Monday evening the Kiwanians will observe Armistice day. At 7:30 p. m. there will be a banquet at Shoppenagons Inn, at which time the officers and wives of five nearby CCC camps and the wives of the members will be guests of the club. Chaplain Connolly will give an address at the banquet after which the company will enjoy an evening of dancing.

TOTS USE TYPEWRITERS

The Berkley schools have adopted the typewriter as an educational tool. All students from and including the second grade are being given instruction in typing as a regular subject.

Superintendent Robert B. French of Berkley says: "Experiments have proven that use of the typewriter results in significant improvement in spelling, geography, word meaning, language usage and paragraph meaning. Penmanship does not suffer."

6,000 New Jobs In Past Week

Major Howard Starret, State Director of the National Re-employment Service, announced today that 6,285 men and women had been placed on jobs in Michigan during the past week. Of this number 1,521 were placed in private employment and the balance on work-relief projects.

According to Major Starret 4,303 unemployed people registered for work in Michigan during the past week. This is the third consecutive week that placements have exceeded registrations. Applicants in the Detroit area reached 1,550 compared to a placement total of 4,742.

Other offices reported the following applications: Alma, including Owosso and West Branch, 140; Alpena, 84; Ann Arbor, including Hillsdale, Jackson, Monroe and Adrian, 318; Bessemer, 76; Charlotte and Allegan, 44; Houghton, 5; Iron Mountain, including Daggett and Iron River, 63; Manistee, including Reed City and Cadillac, 124; Marquette, including Munising, Escanaba and Manistique, 272; Muskegon, including Grand Rapids, Big Rapids, and Holland, 259; Petoskey, 71; Saginaw, including Port Huron, Mt. Clemens, Bay City, Flint and Pontiac, 997; St. Joseph, Kalamazoo and Battle Creek, 211; Sault Ste. Marie, 32; Traverse City, 37.

Referrals and placements to private and Federal jobs in Michigan were distributed among the districts as follows: Alma, 119; Alpena, 123; Ann Arbor, 487; Bessemer, 119; Charlotte, 39; Houghton, 7; Iron Mountain, 281; Manistee, 55; Marquette, 364; Muskegon-Grand Rapids, 243; Petoskey, 53; St. Joseph, 85; Sault Ste. Marie, 191; Traverse City, 79, and the area containing Saginaw, Bay City, Flint, Pontiac and Port Huron, 388.

"We are looking forward to a tremendous increase in placements during the next few weeks," Major Starret said. "With federal funds pouring into the state, new projects being opened, and with our private placement department making contacts with employers of all sorts of labor, we are looking forward to finding work for many thousands of Michigan's unemployed during the month of November."

The National Reemployment Service is a branch of the Department of Labor. It provides a free employment service for both worker and employer. Throughout Michigan there are 61 branch offices and 21 itinerant offices registering unemployed people, whether they are on relief or not.

Grayling Sees New 1936 Chevrolets

NEW CARS INCORPORATE MANY CHANGES

New Chevrolet cars incorporating hydraulic brakes and other changes from last year's models, were introduced here Saturday and Sunday by Alfred Hanson, the local distributor, at Temple Theatre.

The line for 1936 is to consist of master de luxe and standard body types. The master series is equipped with either knee action or conventionally sprung wheels as desired. The styling has been changed by using a higher and narrower grille with a new treatment of hood louvers, headlamps and interior trim.

The standard or lower-priced series, it is stated, have been redesigned in chassis and bodies to make them correspond more closely to the master series. The main difference now is said to lie only in the wheelbase.

Other changes applying to both groups include higher compression ratio (6 to 1) and full length water-jacketing of the cylinders. Front doors of all models are hinged at the front.

The "turret top" used on the master models last year has been adopted for the standard line also. Spoke-type pressed steel wheels, instead of wire wheels, are used on the standards.

In the standard models, there is a new box girder chassis frame, more powerful engine, longer wheelbase and larger bodies. The line of body types has been increased to seven by the addition of three models—the four-door sport sedan with built-in trunk, the two-door town sedan with built-in trunk, and the cabriolet.

109-Inch Wheelbase

The standard wheelbase, formerly 107 inches, is now 109, while its overall length, last year 170 1/4 inches, is 12 to 13 inches greater. Bodies are longer and wider, with more leg room, wider seats and additional head room. Car weight is increased 135 pounds.

Horsepower of the standard, formerly 74, has been increased to 79 at 3,200 r.p.m. by changes in combustion chamber design, valve operation and carburetion in combination with an increase in compression ratio from 5.6 to 1 to 6 to 1.

Fuel tank capacity, formerly 11 gallons, is now 14. A ventilated generator has been adopted.

Also on display was an Oldsmobile sedan, which claimed its share of attraction. Both days showed large attendance and interest.

State Garden Club To Meet At Houghton

The third annual conservation conference for Michigan women may be held among the northern jackpines next year.

At the present conference at Ann Arbor, which was attended by 200 women, Mrs. O. E. Hunt of Ann Arbor, president of the Federated Garden clubs of Michigan, was authorized to name a committee to pick a location for the 1936 meeting.

Houghton Lake is favored as the site.

POOR BOARD AND PHYSICIANS AGREE ON RATES

When the Committee pertaining to crippled and afflicted children in the state announced that from that time on the State would pay to surgeons not over \$1.00 for surgical operations, the latter protested and justly so. What reputable surgeon would offer his skill and knowledge for that paltry fee unless it were in a crisis and under critical conditions?

In the past physicians and surgeons have been serving in cases of afflicted and crippled children for half their regular fees. Certainly this was fair for all concerned.

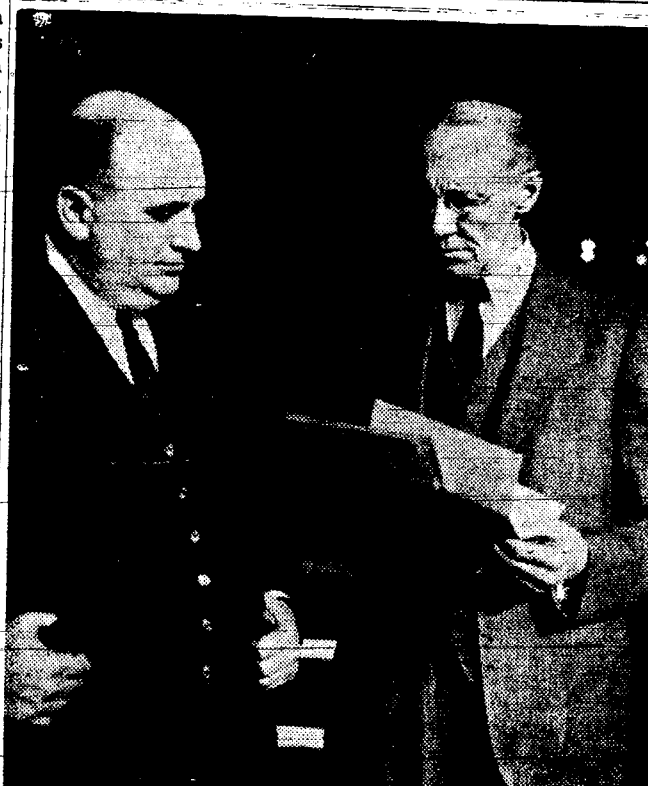

Last Monday night Judge of Probate Sorenson and the members of Crawford County Poor commission met at the offices of Drs. Keyport and Clippert to discuss the matter, with the result that in the future bills for this kind of service will be paid for by the County at half the usual rate charge. Similar actions, it is reported, were taken in many other counties of the state.

Our Christmas card samples are now on display and we invite you to drop in and look them over—The Avalanche.

Armistice Day Proclamation By the Mayor.

Monday, November 11th is Armistice Day. According to law this is a legal holiday nationally. Therefore let us observe the day by display of flags and I respectfully request that places of business be closed so that proper observance of the day may be had in memory of the declaration of Peace, on November 11th, 1918.

C. W. OLSEN, Mayor.

Get Close-Up View Pines CCC Camp

Besides being nestled snugly amidst that delightful area of Hartwick Pines park, the Hartwick Pines CCC camp is a fine example of attractiveness of this branch of Uncle Sam's civilian army. The buildings with their green panel trimmings and black and orange signs present a very attractive and pleasing appearance. The streets are clean and orderly and have neat board sidewalks.

As a dinner guest there last Sunday, together with Mrs. Schumann and Mr. and Mrs. George Olson, we had an opportunity to enjoy the hospitality of Capt. Bryant and Educational Director Smith and to witness the inside workings of the camp.

The well arranged office building includes sleeping and living room quarters for the executives of the camp. The place is electric lighted and has bath. Comfortable cots and chairs and other

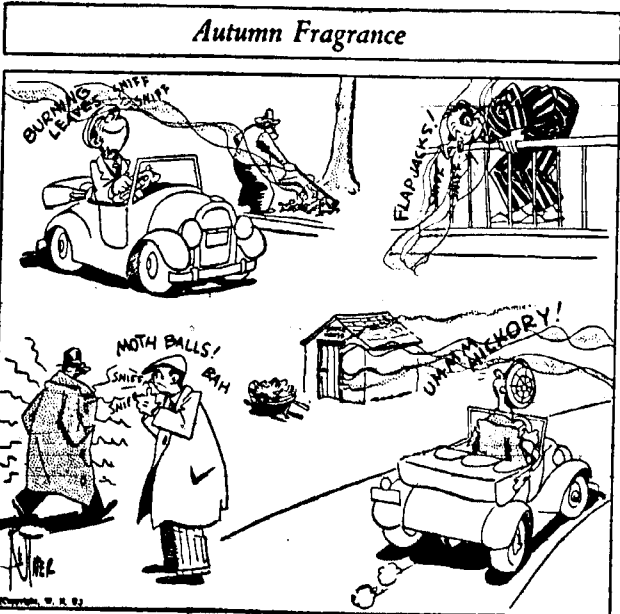

furniture and with doors and windows attractively draped this place presents a delightfully comfortable office and living quarters.

The officers mess is in an adjoining building. Here enrollees served the tables and waited upon the officers and guests. Others present were Capt. Bryant's wife and mother and their young son, of Grayling, and Mrs. Saunders of Grayling. It was a very enjoyable affair.

A visit to the kitchen, hospital, barracks and supply rooms was interesting. Everything seemed to be so complete and well conducted. The report that Michigan CCC camps are using Oregon cherries instead of Traverse City cherries doesn't hold true in this camp for there was a large supply of Traverse City brand cherries on the shelves.

Everywhere about the area is evidence of the good work that has been done by the officers and enrollees of the camp.

A small mind is obstinate. A great mind can lead and be led.

"Baby Seal" Replaced "Lamb" When the Christian Bible was translated into the chief Eskimo dialects, the words "baby seal" were substituted every time "lamb" was mentioned as these people have never seen a lamb or sheep and have no word for this animal.—R. Legion Jottings

The regular practice Thursday evening was cancelled on account of the Drum & Bugle Corps going to Gaylord for the Top O' Michigan Potato & Apple Exposition. The Corps met at the V. F. W. Hall at Gaylord and after a welcome from the "Buddies" there formed in line. They were led by a truck bearing advertising heralding our Winter Sports and driven by Holger Peterson from Grayling Laundry. Too much cannot be said about Mr. Peterson when it comes to boosting the Best Town in Michigan.

The Corps members were dressed in winter sports togery and they marched to the Fair grounds, where they were welcomed with the glad hand extended by the management of the Exposition. They played many of their snappy pieces for the large audience. They then went back to the Veterans Hall where lunch and refreshments were served them by the veterans of Gaylord. Too much cannot be said about the hospitality shown them while there and we hope we may get another invitation soon from our neighboring city.

The Feather party is in full swing in the basement at the Legion Hall each Wednesday and Saturday nights.

Many new members are joining our ranks. So, if you have not filled out your application, Buddy, get going. Don't let the other Vets get everything for you. Join and let's get the bonus.

Some of the boys must have forgotten about Drum & Bugle Corps practice Monday evening because they were not out strong enough. You can't practice on practice night without all members showing up.

There are some vacancies in the Drum & Bugle Corps and we want ex-service men to fill up our ranks.

AM. LEGION TO CELEBRATE ARMISTICE DAY

Monday, Nov. 11th being Armistice Day, the American Legion and Auxiliary and Drum & Bugle Corps are going to observe the day. There will be a parade on the main streets through the business section at 11 o'clock in the evening and then the members of the Legion, Auxiliary, and Drum & Bugle Corps will make whoopee at their hall. All members are requested to be present to spend the evening and also to take part in the parade.

QUEEN ESTHER CIRCLE

Last Saturday the girls of the Queen Esther circle attended a meeting in Bay City. They arrived at the Michelson church on Ohio street at 8:15 and the meeting proper began at 9:30. Mrs. Ford and Mrs. VanWagner and the missionary Miss Johnson gave some interesting talks on citizenship and told what other Queen Esther circles were doing. At 11:30 luncheon was served and at 1:00 the meeting was resumed. After a farewell speech, each group arose for roll call. Grayling girls won highest applause for coming the longest distance and being most prompt on arrival.

The girls reached home at 8:15 Saturday night, tired but happy as the trip was a very pleasant one.

WILL EXAMINE CHILDREN IN LOVELLS SCHOOL

Dr. T. R. Laughbaum, County Health commissioner, assisted by the Children's Fund nurse, Miss Ober, will examine the children in Lovells school on Tuesday, Nov. 12 at 1 p. m. Parents of infant and pre-school children are also invited to bring their children for examination.

The students taking orchestra are learning to recognize the instruments in a symphony orchestra.

Herbert Feldhauser has been taking lessons for about three weeks on the bass saxophone. He is doing very well and before long will be ready to join the orchestra.

A musical survey was made of the school to determine how many instruments there were in school, and who were interested in forming a high school band or orchestra.

The Economics class has completed their study of the "business cycle" and are now taking up "marketing and speculation." The Shorthand class can now take 60 words per minute by dictation.

The American History class has just emerged from the American Revolution and are now studying the period during which our present form of government was set up.

The Related Arts class has been dabbling in paint this last week and are now ready to paint designs on oilcloth for a "lab" problem.

Womans Club

The Woman's club met at the home of Mrs. McNamara Monday evening. A very interesting program was given. Mrs. Clippert reported on the Triangle held in Detroit and Mrs. Vivian Peterson on the district convention held in Cheboygan.

The Club voted to sponsor a Campfire Girls club under the direction of Mrs. Edgar Flory. The next meeting will be held at the home of Mrs. Roy Milnes on Tuesday, Nov. 12.

THE ROAD HOG, DRUNK, DAY DREAMER AND JAY WALKER

A road hog should never possess
License to drive a car.
He's very sure to cause distress
'Ere he has driven far.

The drunken man should lose his
key

'Till he's a man again.
Or lose his license for you see
He's dangerous, that is plain.
The day dreamer should change
his ways,

And learn to dream at night.
For long before he's spent his
days,

The dreamer his life will blight.
The jay walker must drop the
"jay"

And walk just as they should.
For mark my word, there'll come
the day

They will wish that they could.

CELEBRATE HALLOWE'EN

Hallowe'en celebrators found it
very easy to make merry both at
the Fischer Hotel and at Epke's
Keg-o-Nails. Both proprietors
held their celebration on Wednes-
day evening, Oct. 30th., and each
place drew very good crowds.

To Harley Kennedy, of the
Fischer Hotel, goes the credit for
the expert decorations which
were worthy of any professional
interior decorator. The dining
room was banked with Hal-
lowe'en-figures, crepe paper de-
corations and holly, which, to-
gether with subdued lights and
Hallowe'en clad waitresses, made
the occasion very festive.

Decorations at Spike's were
also very elaborate and good
music, good food, and a capacity
crowd of merry-makers contrib-
uted to an evening which will long
stand first among Spike's great-
est achievements.

Personal and Social

Sunday, Nov. 10th, dancing at
Spike's Keg-o-Nails from 9 un-

Emil Giegling and Carl John-
son left today for Marquette on
business.

Kenneth Hoesli is spending this
week with his sister, Mrs. John
Mallinger, at Higgins Lake.

Mrs. Mae Malone is spending a
couple of days at the Frank Bar-
nett home.

Miss Margaret Cassidy, of
Lansing, enjoyed a visit at her
home over the week end.

Attorney Charles E. Moore and
family were in Petoskey on busi-
ness Saturday.

Mr. and Mrs. James Cameron
enjoyed a visit last week from
their son-in-law, Angus MacAu-
lay, and Al Braddock, of Bentley.

Mr. and Mrs. John LaMotte
and Mrs. Alice LaMotte and
daughter Betty, spent the week
end visiting friends at Clare.

Mrs. Adolph Peterson, accom-
panied by Mrs. Frank Barnett,
made a business trip to Ann
Arbor last Wednesday.

Mrs. Grant Thompson and
children returned the last of the
week from St. Helen, where they
had been visiting for some time
with Mr. Thompson.

Mrs. Holger Peterson and son
Burton have returned home after
spending several weeks visiting
relatives in Cleveland. Mr. Peterson
and son John Henry and Mrs.
Robert Reagan drove to Cleve-
land to accompany them home.

Guests of Mr. and Mrs. Harry
Ward over the week end were
their daughter and husband, Mr.
and Mrs. C. V. Stoliker and child-
ren, and Mr. Stoliker's mother,
Mrs. Joseph Stoliker, all of
Ferndale. They brought their
new daughter Phoebe Ann, who
is only a few weeks old, to see
her grandparents.

Tuesday evening a group of
Grayling ladies drove up to Gay-
lord to be in attendance at a
party given in honor of Mrs.
Henry Libcke, by her mother,
Mrs. S. D. Dunham of Grayling.
About fourteen were present and
the evening was spent informal-
ly, after which a very nice lunch
was served. Mrs. Libcke was the
recipient of many lovely gifts.

J. F. Mills made a business trip
to Sandusky, Tuesday.

Mrs. B. J. Callahan and son
Jack were in Bay City Tuesday.

Mrs. Julius Nelson is quite ill
at her home.

came from Lansing Saturday to
accompany the latter's parents,
Mr. and Mrs. Frank Peck, to their
home to spend the winter.

Mr. and Mrs. Esbern Hanson
spent Tuesday in St. Louis visit-
ing their son, Esbern Jr. Mr.
Hanson also attended a meeting
of the McClanahan Oil Co. there.

Mr. and Mrs. Charles Fehr and
daughter, Mrs. Gale Chise, spent
the week-end at St. Johns where
they were the guests of Mr.
Fehr's sister, Mrs. Margaret Jak-
way.

Mrs. Oscar Hanson returned
Friday from Lansing and Detroit.
She was accompanied home by
Miss Ella and Miss Margrethe
Hanson, who remained until Sun-
day.

Mrs. Harry Gibbs Sr., of Har-
bor Springs, returned Tuesday to
her home after a visit of several
days with her son, Harry Gibbs
Jr., and family. Mr. Gibbs drove
over to accompany her home.

Mrs. John Isenhauer entertain-
ed several ladies at her home
Thursday afternoon, with a quilt-
ing bee. After a pleasant after-
noon Mrs. Isenhauer served the
ladies a very nice lunch.

Mrs. A. J. Scott completed her
duties on the grand jury of the
court session at Bay City, and
Mr. Scott and his mother, Mrs.
Alice Scott, who is visiting here,
drove down Tuesday to accom-
pany her home.

Mrs. Emil Giegling was hostess
to her Contract club Wednesday
afternoon at a very delightful
luncheon. Mrs. Harold McNeven
held the high score for bridge.
This was the first party of the
season for the club.

Brady had as their guests, their
niece, Mrs. Francis McLeod, and
husband, of St. Ignace. They
also enjoyed a visit last Wednes-
day from Mrs. Richard Bartlett,
who was on her way home to
St. Ignace from Ann Arbor.

Mrs. Don Reynolds entertained
eight little friends of her son
Junior at a Hallowe'en party,
Thursday afternoon, at her home.
The afternoon was spent playing
games and Mrs. Reynolds served
a nice lunch. The little tots were
very much pleased over Hal-
lowe'en horns which were given
as favors.

Mrs. Hiland Smock and sons,
Donald and Howard, and Jack
McClain, spent Tuesday in Cadil-
lac.

Guests over the week end of
Mr. and Mrs. Frank Lydell were

Edna Muth, of Hanson's Cafe,
is still unable to be on the job.

is competing with Floyd Loskos
who is holding down a similar
position at the Plaza Grill.

Floyd Lovely is another addi-

well liked—and keeps things in-
teresting.

GRAYLING STUDENTS AT OLIVET

"Busiest student on the cam-
pus" was the description that
the Olivet College Echo gave
Charles Wylie, Grayling student,
who is working his way through
school.

Last June Wylie was elected
president of his fraternity, Phi
Alpha Pi, the largest fraternity
on the campus. He was publicity
director of the Colloquium, Sun-
day evening discussion clubs for
college students and townspeople;
managing editor of the Phran-
dango, the fraternity newspaper;
and chairman of a society alumni
club.

Besides his studies Wylie is
head monitor at the boys' dormi-
tory, Blair Hall, and student
manager and proprietor of the
Olivet Bookstore, which sells
books and school supplies to all
students, professors, and depart-
ments of the school.

Because of his active schedule
Wylie was forced to cut his
schedule of classes. He plans to
build up a literary extension de-
partment in the bookstore at the
college through which he intends
to distribute books to clubs,
alumni, and students all over
Michigan.

Gail Walsh, of Grayling, is at-
tending Olivet as a sophomore
with Wylie. They are both study-
ing under the new system of
tutorial education instituted last
year by Joseph Brewer, Jr., grad-
uate of Oxford University, Eng-
land.

THEY ride with greater safety
in the new Ford for 1936. It's
not so much that V-8 engine
power and pick-up whisk them
clear of traffic tangles—al-
though this, too, helps make
the new Ford a safer as well as
a more thrilling car to drive.

But it's mainly because
every feature of the new Ford
measures up to the standard
of V-8 engine quality. The
Ford Motor Company was not
satisfied with putting an en-
gine from the luxury class into
a car selling as low as \$510.
It insisted that everything else
be in keeping with the fine-car
quality beneath the hood—

safety, as well as roominess
and comfort.

AMATEUR NIGHT AT SPIKE'S

Amateur night, an event every
Wednesday evening at Spike's
Keg O' Nails, is becoming in-
creasingly popular with the pass-
ing of each event.

Last evening the place was
packed to capacity and every per-
son enjoyed himself or herself
immensely. Eight couples from
Roscommon made the occasion a
farewell party for one of their
number, Miss Marguerite Gard-
ner.

Miss Frances Hoben, who was
the winner of the first prize, sang
a number of impromptu song
hits and played several piano se-
lections. The crowd showed it's
appreciation by demanding en-
cores after encore. Mr. Volmer,
of Frederic, captured the second
prize with a harmonica selection.

and Bill Austin, of Camp Hig-
gins, gave an instrumental num-
ber and was rated third.

THROUGH A Woman's Eyes

By JEAN NEWTON

ON THE MAN WHO IS TO LEARN TO KNOW HIS FAMILY

"I'M SORRY, I don't remember you." A shell-shocked war veteran, after an absence of 11 years, said that to his family who were gathered together to welcome him home.

Mother, father, brothers, sister, wife and a son of eleven—he knew not one of them. His mind a complete blank regarding everything that happened before the war, even his right name is something that he has to take on trust. For during the interval of more than ten years that he was wandering about not knowing who he was, he acquired another name.

Out of the tragedy that struck this wounded soldier and his family one thought keeps forcing itself upon me. And that is the unique experience of becoming acquainted with one's own family. This man will know his family really as people—he will have a chance to find out whether he really likes them. The bond of the family tie that comes of the war and the woe of daily living and a lifetime of close association, he does not know. On the other hand, he will not know the faults and acquired stigmas the family judgments and prejudices which persist sometimes from childhood weaknesses to brand a personality within the family circle. The man who does not remember or recognize his family will start with a clean slate.

It will be up to the family to "sell themselves" to him. Naturally they will try to be at their best with him—as they would with any stranger with whom they were to become acquainted. And in so being treated like a stranger, this man who comes back with something to be thankful for—and a head start to really "know his family!"

Three Doses Relieves Old Stubborn Cough

BUCKLEY'S MIXTURE takes a special pride in "knocking the stuffing" out of tough old coughs that have successfully defied other cough remedies.

Mrs. Wagner, Waterloo, Ont., writes:

"For years I have had a chronic cough, and when I catch cold I cough something terrible. I always had to have a doctor to break it up, but I was told to try BUCKLEY'S MIXTURE, and it sure does the trick. Three doses gives me relief."

No wonder sufferers say "Buckley's acts like a flash." If you have a cough, cold, or bronchitis, get a bottle today. It clears the bronchial tubes, eases breathing and stops the cough. Buckley's is sold everywhere and guaranteed. 45c and 85c at Mac & Gidley's, druggists, and all good druggists.

WIT AGAINST WIT

IT WAS a dreadful game the hunter with the terrible gun and Lightfoot the Deer were playing in the Green Forest. It was a match of wit against wit, the hunter seeking to take Lightfoot's life and Lightfoot seeking to save it. The experience of other years had taught Lightfoot much of the ways of hunters and not one of the things he had learned about them was forgotten. But the hunter in his turn knew much of the ways of deer. So it was that each was trying his best to outguess the other.

When the hunter found the hiding place Lightfoot had left at the warning of Sammy Jay, he followed

There was only one direction in which it was safe for Lightfoot to move.

Lightfoot's tracks for a short distance. It was slow work and only one whose eyes had been trained to notice little things could have done it. You see, there was no snow and it was only now and then when he had stepped on a bit of soft ground that Lightfoot had left a footprint. But there were other signs which the hunter knew how to read, a

freshly upturned leaf here and there, a bit of moss lightly crushed. These things told the hunter which way Lightfoot had gone.

Slowly, patiently, watchfully, the hunter followed. After a while he stopped with a satisfied grin. "I thought as much," he muttered. "He heard that pesky Jay and circled around so as to get my scent. I'll just cut across to my old trail and unless I am greatly mistaken I'll find his tracks there."

So swiftly, but silently, the hunter cut across his old trail and in a few moments he found just what he expected, one of Lightfoot's footprints. Once more he grinned. "Well, old fellow, I've outguessed you this time," said he to himself. "I am behind you and the wind is from you to me so that you cannot get my scent. I wouldn't be a bit surprised if you're behind that old windfall." He at once began to move forward silently and cautiously.

Now when Lightfoot following behind the hunter, had lost the scent of the latter, he guessed right away that the latter had found his tracks and had started to follow them. Lightfoot stood still and listened with all his might for some little sound to tell him where the hunter was. But there was no sound, and after a little Lightfoot began to move on.

There was only one direction in which it was safe for Lightfoot to move, and that was the direction from which the Merry Little Breezes were blowing. As long as they brought him none of the dreaded man smell he knew that he was safe. The hunter might be behind him. Probably he was. But ahead of him, so long as the Merry Little Breezes were blowing in his face and brought no dreaded man smell, was safety.

First Copper House Is Completed

THIS copper house has just been erected at Bethesda, Md., by a subsidiary of one of the big copper corporations and is open to the public for inspection. The new dwelling is the first of its kind in this country. Hardwood floors are built over a fire-proof sub-floor, and inside walls are plastered on metal laths. The house is completely air-conditioned. The cost of these houses depends on size and design, with present designs ranging upwards from \$4,500.

DANNY'S HOME-COMING

WHEN the first Jolly Sunbeams came stealing through the Green Forest, Danny Meadow Mouse began to be uneasy. He was thoroughly rested and the dangers of the dreadful night were already forgotten. Perhaps I should not say that they were forgotten, for, of course, that isn't quite true. But Danny had quite put them out of his mind. That is the way with the little people of the Green Forest and the Green Meadows. Dangers that are past are not worth thinking about. They must keep their minds clear for possible dangers to come. So Danny's thoughts were not of what he had been through, but were wholly of getting home.

He thanked his cousin, Whitefoot, for all the latter had done for him and then climbed out of the hollow stump and once more started for the Green Meadows and home. As long as he was in the Green Forest he was anxious. He didn't feel at home there. He didn't know what to expect. He imagined all sorts of dangers. But the instant he reached the edge of the Green Meadows his heart became light. He still had a long way to go and many things might happen before he reached that snug little home and Nanny Meadow Mouse and the babies. But Danny's heart was light, for on the Green Meadows he knew just what to do and where to go. He could see Redtail the Hawk sailing round and round, high in the blue sky. He knew that Redtail was watching with those wonderful eyes of his for a

fat Meadow Mouse, but that didn't worry Danny in the least. You see, he knew just how to keep out of sight.

After a while he reached one of his own private little paths. The brown grass hung over it making a regular little tunnel of it. Danny scampered along as fast as his short legs would take him and so presently he reached his snug, safely hidden little home. The half-grown children raced out to meet him to see if he had brought them something. Inside, the babies were having an after-dinner nap. Of Nanny Meadow Mouse there was no sign. You see, Nanny was out getting her own dinner. It was while he waited for her that Danny began to wonder how he would be able to explain his long absence. He suspected that Nanny would be very cross, very cross, indeed. He suspected that he was due for a scolding, such a scolding as only Nanny's sharp tongue could give. He knew that he deserved it. He was glad, ever so glad, to be home, but he felt most uncomfortable.

By and by, as he sat just outside his snug little home, he heard foot-steps hurrying along one of the private little paths. It was Nanny hurrying home to her babies. When she saw Danny she stopped short and stared at him as if she thought her eyes were playing her tricks. Then, instead of the sharp words he expected and knew he richly deserved, Nanny rushed to him crying, "Oh, Danny, I'm so glad! I'm so glad! I thought you were dead!" And Danny Meadow Mouse knew then how great it was to be home.

1936 Master De Luxe and Standard Chevrolets are Replete with New Features

New Master De Luxe and Standard Chevrolets for 1936 show marked advances in appearance and in engineering. Perfected hydraulic brakes, high compression engines with full-length water jackets, and improved steering mechanism are among the mechanical improvements. The solid steel turret-top body is now used on the Standard as well as the Master De Luxe models.

Either Knee-Action or conventional springing may be had in the Master models. The illustrations show: Top left, the Master De Luxe sport sedan with built-in trunk; top right, the Standard sedan with mounted radiator grille, used on all models; lower left, the simple arrangement of Chevrolet's perfected hydraulic brakes, all models; and, lower right, a Standard sedan.

Boy Scout Doings

If numbers mean success, the Boy Scout Hallowe'en party could have been nothing else but a highly successful affair. Over 400 school children jammed themselves into the school gym and some 200 parents and guests filled the balcony. At 6:30 the crowd began to gather and when the doors were opened at 7:00 people flowed in as water would from a broken dam.

Even though the crowd was twice as large as was anticipated and planned for, the scouts handled their various jobs in true scout fashion. Only a few of the multitude could be cared for in the contests mostly because of the limited time allotted to running the various games.

Sam Gust, Kenneth Gothro and Ransom Murphy reproduced an Election Night in Pumpkin Hollow. The play was written and directed by Miss Peeke.

With Sam Gust acting as master of ceremonies the cracker chewing contest was held. In order to give the chewsers a chance to rest the girls tug of war was finished before the apple dunkers took the stage. Two picked teams of boys next stretched the rope and the 10th and 11th grades proved the best stretchers. Eight fine numbers made up the acts for the amateur contest. These acts were close and well put on but only four could share in the awards. Competition for the best costumes was next in order and out of sixty odd boys and girls two winners from each sex were picked by the judges.

The other events being concluded the crowd came up on its toes and let out a roar of anticipation as Mr. Roberts, in true Humphrey style, announced the main attraction of the evening: two much talked about boxing bouts. Everyone got his money's worth as "Sammy" Lovely out-boxed "Joe" Bowen, but not without taking a few himself. The next bout drove the crowd into a frenzy as "Sluggo" Smith lived up to his name and drove "Kid Shadow" Deekrow all around the ring during the first round. Round two was another matter with the "Kid" holding his own and partly paying back for his first-round bloody nose. However the "Sluggo" had piled up too big a margin to be overcome.

The program was closed as scheduled and a happy crowd of parents and children moved slowly out the exits, content in the thought that another Hallowe'en had passed without leaving too deep a scar.

A crowd of older boys and girls stayed and danced to the strains of musical recordings. The scouts began their job of cleaning up and late Saturday night the gym was policed up again.

Many of the teachers were in costume. Miss Peeke as an early day "School Mam" looked stern and strict. Miss Conboy as a pilgrim maid was escorted by Miss Cook as a fair lass of the Colonial days. Two other likeable young maids turned out to be Miss Dorr and Miss Tumath. Miss Bittler as a girl from the winner Woiks' added color to the entire party.

Mrs. Milnes, Miss Peeke and Mr. Schumann acted as judges for the amateur contest. Mrs. Poor, Miss Dorr and Miss Tumath

judged the costumes. The Scouts wish to thank these judges and all the people who helped make their party a success.

Prize Winners

In the cracker chewing contest four prizes were awarded, and in the apple dunking contest Eugene Corwin, Tommy Gannon and Ross Thompson won prizes. For the Amateur contest first prize was won by Junior Lovely and Bob Welsh and second by Betty Sparkes, who now have an opportunity to appear two nights on the stage at the Rialto theatre. Jack Hull and Junior Nelson won third prize and Virginia and Marian Skingley fourth.

For prizes for the best costumes of the boys, Allen Carr and David Miller won first and second prizes respectively and Gloria Kennedy and Emma Wilkison for the girls.

In the boxing exhibitions Junior Lovely and George Smith were awarded first prizes and Keith Bowen and Theon Deekrow second.

Question Box
By ED WYNN
The Perfect Fool

Dear Mr. Wynn:

I have a very dear friend, a Scotchman, who has just gone back to Scotland. I happen to know that he would never spend his own money to go back, yet he has gone. How do you think he got back?

Yours truly,

TOM KATT.

Answer: Your friend most likely heard some one sing "The Bluebells of Scotland" and it carried him back.

Dear Mr. Wynn:

I know a lady who never got married and she is now forty-two years old. I asked her why she hadn't married, and she said: "Why should I get married as long as I have a parrot and a monkey?" What did she mean by that?

Sincerely,

ROME E. OHE.

Answer: Probably her parrot swears and her monkey chews tobacco and she figures therefore she doesn't need a husband.

Dear Mr. Wynn:

My husband was saying that he knows a man who uses "smokeless" tobacco. I've known of burlesque carriages, wireless telegraphy, seedless oranges, but what in the world is "smokeless tobacco"?

Yours truly,

IMA YAPP.

Answer: Chewing tobacco.

Dear Mr. Wynn:

My father says he washes his eyes out every night before going to bed. It is true how does he get them back in again?

Sincerely,

I. LIDD.

Answer: He probably wears glasses.

Dear Mr. Wynn:

An Englishman quite boastfully told me that the English took the flag away from us at Bunker Hill and says it is now in a British museum. Is it true the English have the flag?

Sincerely,

MIN ITMAN.

Answer: Yes, but we have the hill.

THOUSANDS ARE
NOW ENDORSING
THE NEW INDO-VIN

Michigan People Say They Never Saw Anything Like This Great Scientific Mixture of Nature's Medicines and Crows Are Flocking Daily to Mac & Gidley's For It.

The new, Natural medicine, known as Indo-Vin, is now being sold here in the city of Grayling and general vicinity at a FASTER RATE than EVER BEFORE in its history. In fact, this "Wonder Compound" which is now being introduced to crowds daily in this city at the Mac & Gidley Rexall Drug Store has now become the SENSATION of this entire vicinity and druggists state that nothing like it has ever been seen here before.

What Indo-Vin Is!

An advanced, scientific formula. Not a cure-all, not a "patent" medicine, but a remarkable new system-cleanser, containing 22 of Nature's Finest Ingredients, and not a habit-forming drug. It is vastly different from any other known formula. Its ingredients have a GREAT ACTION upon each of the four important organs—Stomach, Liver, Kidneys, Bowels.

What It Will Do!

Taken after meals, Indo-Vin works with your food, thus aiding Nature and helping your system to banish health-destroying poisons. It will not make you sick, gripe or nauseate you in the slightest way like calomel pills and most liver medicines, yet it will work a quantity of old bile from the system as black as ink.

It will cleanse your bowels (gradually—not drastic or severe) as they were NEVER CLEANSSED BEFORE, bringing out old, foul impurities that may have been inside of you for a long time. By its great natural cleansing action it will banish the awful toxic poisons that many have been causing you many days of misery with headache, sour-acid stomach, dizzy spells and lazy, tired feeling. Five or six doses will live up your liver and make you feel like you have shaken off years of age. It will make your stomach, liver, kidneys and bowels more active, clear up the complexion, quicken the senses, build you up in general and make you LOOK ACT

and FEEL like a different person, years younger than your real age. For instance, following are JUST A FEW testimonials, selected at random from among the hundreds that are being received from this immediate vicinity, praising Indo-Vin, describing its action and urging ALL WHO SUFFER to get it and take it. Read these statements:

Stomach Trouble Quickly Ended!

MRS. ESTHER HARDEN, of 47 Coolidge St., Grand Rapids, Mich.

says: "For 5 years I was a victim of stomach trouble. My meals would disagree with me and I was full of gas and bloating all the time. I kept having the most dreadful

week at Big Rapids. Mrs. Rich-
ard Babbitt accompanied them
as far as LeRoy and visited rela-
tives.

G. Jerome Kessler has just
been appointed public adminis-
trator for Crawford county by
the State Public Administrator in
the Attorney General's office. His
duties will be to administer
estates in cases where there are
no heirs, and such other matters
that may come up for the state.
The late R. S. Babbitt held this
position which has been vacant
since his death.

Phillip Coventry, brother of
Mrs. Etta Phelps, of Ortonville,
passed away at his home at
Sylvan Lake last week following
a month's illness. Mr. Coventry
spent his early life in and around
Grayling having at one time been
employed at what was known
then as the Conline & Co. gro-
cery. He was made a member of
the Masonic lodge here. Mr.
Coventry had been supervisor of
his township for nine years and
was connected with the Oakland
county cement block plant as
superintendent. Of late years he
had been employed as salesman
for a real estate firm. Besides his
widow he is survived by six
children, two sisters, one of
whom is Mrs. Phelps of Orton-
ville, and one brother.

Camp News

CAMP HIGGINS LAKE

M. S. Gerred, chief foreman, is preparing graphs and remarks on the extensive tree planting operations carried on by members of this camp during the past few weeks. Approximately 800 acres have been planted and it is anticipated nearly all the trees will live. This talk, which will be given at the camp shortly, will be of much interest especially to members of the scalping and planting crews.

The first of the 400 tons of coal to be shipped this company for winter use has arrived and is now used in most of the stoves at camp. The coal comes from southern Illinois.

Lieut. S. H. Cropp, who recently took over the company mess, has a list of 35 things he hopes to accomplish for greater kitchen efficiency. These include a good sized root cellar, shelving for the kitchen and pantry, ventilation for the ice box, a coal bin, rubber aprons for the K.P.'s, and other innovations and improvements.

A new company picture was taken last week. They are on sale at the post exchange.

Dr. J. F. Cook, Grayling dentist addressed the safety meeting Wednesday night on proper care of the teeth. The talk was well attended.

Chaplain J. L. Connolly is at his home in Galesburg, Illinois, for a week's vacation. He was accompanied as far as Chicago by Mrs. G. M. Katzman, wife of the sub-district surgeon.

Capt. G. E. Murphy, commanding officer of this company, has completed over two years of CCC duty. He took command of the 872d CCC Company in December, 1933, serving as junior officer under Capt. Kurtz for a short time.

Personnel of the ECW headquarters stationed at the Roscommon warehouse, moved to their new offices at Gaylord the latter part of last week.

CAMP AUSABLE

Camp AuSable had the honor of being invited to join a boxing league that has been organized by four camps. The camps in the league are Ogemaw, Luzerne, Houghton Lake and AuSable. Educational Adviser Bill Christie of Camp Ogemaw is President of the association; Lt. Turrill of Camp Luzerne, Secretary and Lt. Hartley of Camp AuSable, Treasurer. The league is called the "Oyasa Boxing Association." The matches are to be put on in the following towns: West Branch, Grayling and Clare. The first bouts will be held in Mio. The matches are to be under the auspices of the Amateur Athletic Union. There will be tickets valued at one dollar for all entries and three dollar tickets for the winners. The men who are signed up for the boxing class and will represent Camp AuSable are: Milo Hawley, Jack Stratton, Nick Cupon, Edmund Cunningham, Peter Mulbreight, Harry Modreski, Robert Woodward, Fred Swikowski, Serio Tadiello, Don L. Youngs, Marshall Stuck, Joe E. Spies and Harold Theodore.

Lee H. Perrigo, one of the oldest men in this camp as far as length of service is concerned, left Sunday to take over the

duties of Company Clerk at Camp Molasses River. Perrigo has been a member of this company since October, 1933. A farewell party was given by the overhead in his honor.

Mr. Buchen is organizing a dramatics class which is now working on a minstrel show as its first project. The group has had two rehearsals and are coming along fine with the play. The cast is made up of Larry Balch, Fred Roberts, Milton Rodgers, Anny French, Fred Jones, Floyd Hubble and Bob Coulter.

Lt. Joseph S. Raff returned to Camp Ausable Sunday after a thirty-day transfer to Camp Dodge-Bloomer at Pontiac. The doctor brings back with him the news that Mrs. Raff is greatly improved and that the son and near Lionel is growing like a jackpine.

The kitchen crew lost a member last week when Pheophilus Benson second cook left the company to return to his home in Detroit. Nick Cupon is now student cook and doing the baking and Emmet Maxson is doing regular cooking instead of baking. Ed Brigham is second cook.

Enrollees Rudd and Anderson have completed their decorating project in the four large barracks and are now doing various improvements around camp. Anderson is taking the place of Steve Furisch in the bathhouse while he latter is on leave.

The State and Army overhead barracks are setting a pace for the others to try and keep up with. These two barracks formerly had a low rating on inspection but are now in nearly perfect condition.

HARTWICK PINES

Captain Bryant made a business trip to Camp Custer Monday.

O. P. Otsoff, regional supervisor of the National Park Projects, visited camp Monday.

Mr. and Mrs. Schumann, Mr. and Mrs. George Olson, and Mrs. Saunders of Grayling were dinner guests at the camp Sunday. Captain Bryant's family also were entertained.

Mrs. A. M. Gottlieb arrived in Grayling Monday to spend the winter.

Enrollee J. B. Halsey who has been confined to the hospital for two weeks with the "flu" is slowly improving.

SCHOOL NOTES

(Continued from front page)

dents are restless, its a good sign of a storm. These first two days of this week shows that very stormy weather is ahead. Let's see if he is a good weather prophet.

Lab Tabs

In tune with the times the Physics classes are using the principle of the hydrometer in figuring the strength of solutions. Soon auto drivers will be adding alcohol and glycerine to their water systems. By knowing the principle of specific gravity simple home made hydrometers can be used to determine the ability of their anti-freeze to stand low temperatures.

Biology students are tracing the raw food taken from the ground by plant roots as it is changed and used by the plant and finally stored as usable food. The Science eight class is figuring out how musical instruments work and how the human voice and ear compare to them. Magiclan Show At High School Monday, Nov. 11, at 8:00 p. m. A magiclan show will be presented in the High School auditorium by John G. MacKay.

Mr. MacKay is a college graduate and has had 6 years experience as a school superintendent. He has had 12 years experience

as a magician, and is nationally known as an entertainer in sleight-of-hand and magic. His tricks will keep the audience on their "tip toes" from beginning to end. The show is being sponsored by the "G" Club.

Only a small fee of 1c for grade students; 5c for high school students, and 10c for adults will be charged.

If you really want to be entertained by a real magician plan and see this show. Don't forget the date.

Amateurs To Appear At Rialto

All students are anxiously awaiting the event at the Rialto Theatre when Junior Lovely, Bob Welsh, and Betty Sparkes will appear on the stage. These three students were winners of the Amateur contest which was staged at the Halloween party at the school gymnasium. No exact date has yet been set for their appearance, but it will take place in the near future.

Basketball Notes

The second week of basketball practice has begun. During the first week of practice Coach Cornell has been trying to get the squad of twenty-two boys into condition with exercises and basket shooting. The group has already been divided into two squads. Mr. Cornell has charge

of the first squad which includes: Borchers, Brady, Chalker, Lovely, Smock, Dunham, Charron, Ward, Murphy and Joseph. Assisting Mr. Cornell is Mr. Roberts. He has charge of the second squad consisting of: Bowen, Gierke, Smith, McClain, Martin, Coutts, Moshier, Wright, Peterson, Morris, Mathews, and Tibbetts.

Some of the fellows have found it necessary to work but hope to be able to report later.

Several who have been members of the squad in the past, have decided to drop basket ball from their activities; some that would be of value to both teams this year.

We are in hopes—of having a first class team and expect to be well on our way for the Alumni game, November twenty-second.

Jokes

Customer—You're sure one bottle will cure a cold?
Bill Entsminger—It must, sir, nobody's ever come back for a second.

Mr. Cornell (To office boy who is half hour late): "You should have been in here at eight o'clock."

Jack Hull: "Why? What happened?"

Bob Hanson—Leonard, what's the name of your car?
L. Hector Knibbs—I call her

Shasta.

Bob—Because she's a daisy?
Leonard—No. Because she has to have gas, she has to have oil, she has to have air, she has to have something all the time.

Ransom Murphy—What is the date please?

Mr. Bond—Never mind the date. The examination is more important.

Ransom—Well, sir, I wanted to have something right on my paper.

Wayne—What is your name?

Dorothy—D-D-D-D-Dorothy.

Wayne—I'll call you Dorothy for short.

Beggar—Have you enough money for a cup of coffee?

Clyde B.—Oh, I'll manage somehow, thank you.

"Hara-Kiri"

Hara-kiri is defined: "A Japanese method of suicide by ripping open the bowels, practiced formerly by daimios and military officers." The word is often incorrectly spelled har-kari and harri-kari.—Literary Digest.

Coldest Place in World

Water—thaws—from a bucket frozen solid before it reaches the ground in O-Mekon, a town in East Siberia, where the usual temperature is minus 102 degrees Fahrenheit. This is stated to be the coldest place in the world.

"OUR GANG" HAS HALLOWEEN PARTY

A Halloween party was enjoyed, Wednesday afternoon, by the "Our Gang" sewing club. It was held at the home of Mrs. John Stephan, down the river and sixteen members were present besides a number of guests. Decorations were very nicely carried out in Halloween style, making the occasion very festive. Kenos was enjoyed with prizes going to Mrs. Ben Pankow, Mrs. Wilbur Broadbent, Mrs. George Clise, Mrs. Andrew Beck, and Dora Lou Broadbent. Other prizes were won by Mrs. Neal Mathews and Mrs. Andrew Beck. There was also a prize for the best and most comical paper hats, each member having made her own hat for the occasion. Mrs. Hurl Deckrow was the wearer of the most attractive one and Mrs. William Williams won the prize for the most comical. Pot luck lunch was enjoyed after a very hilarious afternoon. Guests at the party were Mrs. Carrie Feldhauser, Mrs. Albert Knibbs, Mrs. Ben Pankow, Mrs. James Sherman, Mrs. Paul Feldhauser, Mrs. Neal Mathews, Mrs. John Knecht and Mrs. Norval Stephan.
